Québec’s most prestigious business contest

It’s no secret, Quebec is a fertile ground for entrepreneurs. And it remains essential to recognize and celebrate the audacity and determination of those who take the plunge in this great adventure. The Mercuriades awards gala is the place to be for business people to honour the achievements of our very own great builders.

The vitality and leadership demonstrated by these companies not only provide an outlet for Quebec, it’s also a source of inspiration for all of us.

On my behalf and on behalf of Sun Life Financial, I wish to congratulate all of the 2011 Mercuriades finalists and award winners.

Isabelle Hudon
